

## P.13V5 - Deferral, Suspension or Cancellation of Enrolment

### 1.0 Purpose

- 1.1 This procedure is in place for the application, assessment, approval and records management of deferral, suspension and cancellation of students' studies. The procedure ensures that students are informed of the grounds on which their enrolment may be deferred, suspended or cancelled. The ESOS National Code is very specific about when Deferral or Suspension can be approved and this policy is designed to reflect the Standard 13 of the national code. This policy applies to both International and Domestic students.

### 2.0 Responsibility

- 2.1 The Training and Compliance Manager, Student Services Coordinator and Student Administration Manager is responsible for the implementation of this policy.
- 2.2 The decision to defer commencement of studies, suspend studies or cancel enrolment will be approved by the Student Support Department. In confirming this decision, Student Support Department may consult with other relevant departments in Barkly International College. The Admission Department will be responsible for confirming all necessary actions required under this procedure including notification on PRISMS and other record keeping.

### 3.0 Definitions

- 3.1 **Deferral** means postponement of enrolment in, or the continuation of, a program of study for a period of time, initiated by the student.
- 3.2 **Suspension** is when a student, who has already started but has not completed his /her study, is given leave of absence so their training plan is suspended with the clear intention that the student will recommence at an agreed date in the future (i.e. temporary suspension).
- 3.3 **Cancellation** is when a student is removed from the current students register at Barkly International College before he/she has formally completed the planned training and other current qualifications. This student will not be eligible for any subsequent courses for which they may also be registered.

### 4.0 Requirements / Process

- 4.1 Students wishing to defer the commencement of studies, suspend their studies or cancel their enrolment must apply to do so in writing to Barkly International College. This can be done using the student **F.18V03 Deferment Request Form** or the **F.17V03 Enrolment Cancellation Form** available from Barkly International College or website [www.barklycollege.com](http://www.barklycollege.com). Completed forms must be submitted with supporting documents in person to Reception at Head Office 568-570 Lonsdale Street, Melbourne VIC 3000 or by email to [info@barklycollege.com](mailto:info@barklycollege.com) or post. any earlier than 10 working days prior to any deferral or suspension of a course. If the application is submitted less than 5 working days prior to the requested deferment/suspension date (see 4.5 for response time), the processing and response may not be available at the requested time. Therefore if the student chooses to depart, he/she is at risk of not obtaining approval from the College.

- 4.3 If the student is granted a deferral, suspension or cancellation then they will be informed in writing and the request will be processed.
- 4.4 If the request is denied, the student will be informed in writing and provided details of the College Complaints and Appeals procedure. Refer to P.31V6 – Complaints and Appeals Policy.
- 4.5 This response will be issued within 5 working days after being received by the College Reports to PRISMS and renewal of CoE (if applicable) will be issued within 5 working days after the suspension or deferment date.

1 PRISMS is only applicable to International students

- 4.6 It is the student's responsibility to collect revised CoE from the College for any deferral/suspension made. Barkly International College will advise Department of Immigration and Border Protection of the revised end date of the course via PRISMS. The student can also use the CoE to inform Department of Immigration and Border Protection of the revised end date of the course where their Visa requires extension.
- 4.7 Barkly International College will review the application and if appropriate the current student history, and financial status before making a decision. Requests for suspension will be denied for students who are subject to an intervention strategy, in the process of being cancelled for course progress, in arrears with the payments due (either as a result of payment being due under the student agreement or as a result of payment being due under an agreed payment plan) or in breach of the Student Code of Conduct.

In breach of the Code of Conduct / Student written Agreement

- 4.8 If a student misbehaves or breaches the student code of conduct (including non-payment of fees) and this is considered to be a serious breach or there are extenuating circumstances, then Barkly International College may, at its discretion, immediately suspend the student (see below). The reasons for the suspension and a written notice of suspension must be clearly stated and sent to the student within one working day of the decision. A full description of the events that occur before the suspension can be lifted and detailed in the College complaints and appeals process.

**Retrospective suspension or deferment**

- 4.9 Students are expected to apply for deferral or suspension at least 10 working days prior to the leave.
- 4.10 If students have taken unauthorised leave then they will be recorded as absent. It is a breach of the Student code of conduct for students to be absent, other than for medical reasons, without approval.
- 4.11 Retrospective deferment or suspension may only be considered in the most exceptional cases. This may be due to medical emergencies and evidence may be required to support the application. The decision for granting approval is solely at the discretion of the College

**Suspension or Cancellation - initiated by Barkly International College**

- 4.12 The College may decide to suspend or cancel a student's enrolment on its own initiative as a response to misbehaviour by the student. Student misbehaviour will be deemed to have occurred if the student breaches the requirements of the Student Code of Behaviour as defined in the Student Behaviour procedure.

4.13 Barkly International College will inform the student of its intention to suspend or cancel the student's enrolment and inform the student that he or she has 20 working days to access Barkly International College's P.31V6 Complaints and Appeals process.

4.14 If the student accesses the complaints and appeals process, the suspension or cancellation of the student's enrolment will not take effect until the internal process is completed.

**Acceptable reasons for deferral or suspension – Requested by student**

The College may decide to accept an application from a student for deferral of commencement or suspension of study on the following grounds:

4.15 On medical grounds (with supporting documents). Further documental evidence may be requested at the discretion of the College; or

4.16 In exceptional compassionate circumstances beyond the students control and which affect the student's course progress or well being, such as serious illness, death of a close family member, major political upheaval or natural disaster, a traumatic experience or another exceptional event. Independent evidence of the exceptional circumstances is required for the application to be assessed.

Criteria of accessing an exceptional event would include:

- Nature of the event e.g. that it is exceptional event
- Beyond the students control – it cannot be scheduled at another time
- Likelihood to effect student well being e.g. there are compassionate circumstances - if they do not attend it will upset them and impact on their ability to study successfully
- Impact on course progress e.g. the impact of the length of time away on course progress and how the student intends ensuring completion within duration.

4.17 In exceptional circumstances Barkly International College may be unable to deliver a unit or units as a result of factors beyond its control. Where this situation exists (or one or more of the units that cannot be delivered is a prerequisite unit) students can have their study load adjusted and a deferral may be applied for. This basis for deferral is only available if the student can schedule units of competency so that they can complete their studies within the approved duration.

**Cancellation**

4.18 Application for cancellation will not be processed if a student is undergoing another procedure - student transfer (governed by P.33V3) with the College the procedure - student transfer has to complete before the cancellation process can take place.

4.19 If a student requests cancellation of their enrolment, the refund arrangements in the Written Agreement between the College and the student will be triggered. In the absence of any such terms (in older student agreements) the rules pertaining at the time of the application will apply – see website for current refund terms and conditions.

4.20 Students will need to apply for such a refund if they believe they are due one.

4.21 When a student's registration is cancelled then the current agreement is terminated. Any application to re-join Barkly International College is deemed to be a new application and prices and policies ruling at the time of application will apply. The applicant will have to apply as if it was their first time and the International or Domestic Application Policy will apply. Other reasons for non-approval (applies to student studying)

- 4.27 Barkly International College must inform the student in all communications that it has to report the student to Department of Education and Department of Immigration and Border Protection via PRISMS and that it may affect the status of their student visa (Overseas student).
- 4.28 Where the College approves an application to defer commencement, suspend studies or cancel an enrolment or makes a decision to defer commencement, suspend studies or cancel an enrolment the Admission Department is responsible for ensuring that notification of this on PRISMS and issuing the appropriate letter to students.
